

DESIGNER KEYPAD COVERS. SECURITY WITH STYLE!

Designer[™]
SERIES

GET PERSONAL WITH YOUR SECURITY SYSTEM.

You put your personal touch on everything in your home, making it unique, making it comfortable ... making it "yours." Style is something we all want in our homes.

Now you can even customize your security system with the revolutionary new Designer Series keypad covers. Whether you want to transform your keypad into a vibrant statement of your individuality or help it blend into the background, there's a keypad cover that matches what you have in mind. You can choose wood grain, camouflage, metallic, or one of a multitude of other designs, and you can install it in just a minute or two.

Give us a call if you'd like to browse the complete swatch set of Designer Series designs, or take a few moments to log on to: www.designerseriescovers.com to view the designs on line!
